5 Important information

For overseas students, UTAIT will assess a deferral or student-requested suspension on compassionate or compelling grounds with supporting evidence under National Code Standard 9.

An approved enrolment change may affect your visa. UTAIT records reportable changes in PRISMS as required. Seek current visa information from the Department of Home Affairs or a registered migration agent; this form does not grant or extend a visa.

Any applicable fees or financial adjustment must be assessed under the current published fee schedule, your Written Agreement and applicable law. No fee or deduction is authorised solely by submitting this form.

You may seek review through UTAIT's Complaints and Appeals Policy. A written decision will explain the outcome and any applicable appeal process.
